Testimonials

"When my husband left me and the kids, I didn't know how I was going to make it. By the end of the month the cupboards are empty so I decided to try Loaves & Fishes so my children can get a healthy meal today. I've also met others who understand my situation; the volunteers are nice and they seem to really care about us. I'm managing because of the help and support from Loaves & Fishes."

– Loaves & Fishes Client

"When I became an "empty-nester" a friend in my Sunday School class suggested I volunteer at Loaves & Fishes. That was seven years ago and I still thank my church friend today. My life has been so bless and enriched by helping my neighbors in need and seeing the difference it makes in the lives of so many!"

– Loaves & Fishes Volunteer

"Our family has been supporting the Loaves & Fishes mission of feeding the hungry and homeless for over 25 years. Our intent is not only to continue doing so but to enhance our commitment."

– Jack Turner, Capital Campaign Donor
